

RULES OF BUDGET ALLOCATION FOR ACCREDITED APPLICANTS

UNDER ERASMUS+ KEY ACTION 1

This document defines the rules of budget allocation for accredited applicants within the framework established in the Erasmus+ Programme Guide.

National Agency	Jugendbüro der Deutschsprachigen Gemeinschaft, BE03, Belgien
Field	VET
Call year	2025

1. AVAILABLE BUDGET

Total budget available for allocation:	511.000,00€
--	-------------

Out of the available budget, at least the following amounts will be allocated for the specified purposes:

Basic grants and financial performance	102.000,00€
Qualitative performance and policy priorities	230.000,00€
Inclusion support for participants and exceptional costs	51.000,00€

If additional funding becomes available, the National Agency may increase the available budget. The indicated amounts may be lowered if all applicants have already been allocated the maximum amounts according to the rules set out in this document.

2. BUDGET ALLOCATION

2.1. General provisions

The National Agency will estimate the budget required to implement the activities requested by each applicant, as described in the Programme Guide. If the total budget available for allocation to accredited applicants is not sufficient to provide each applicant with the estimated budget required to implement their requested activities, then a competitive allocation will take place as described below. However, if the total available budget is sufficient to fully address the requests of all applicants, then the funding will be allocated in that way.

A competitive budget allocation takes place in multiple phases. In each phase, the available budget is divided between eligible applicants based on the criteria described below. For each applicant, the total awarded grant will be the sum of amounts they receive in each allocation phase (and any separately approved amount for cost categories 'Inclusion support for participants' and 'Exceptional costs'). If any applicant cannot receive further funds based on the rules in this document, then any surplus funds allocated to them will be divided among other applicants using the allocation rules specified for each phase. All allocated amounts will be rounded to the nearest whole Euro.

For the purpose of budget allocation, completed projects are those with end date before 1 September 2023. Only KA121 projects linked to the accreditation code referenced in the application can be taken into account for the budget allocation. The National Agency may exclude from consideration past projects that have been negatively affected by events outside of the beneficiary's control (*force majeure*).

2.2. First phase: basic grants and financial performance

All applicants will receive at least the following basic grant: 25.500,00€

2.3. Second phase: qualitative performance and policy priorities

Budget assigned to this phase will be divided among the applicants in proportion to their score.
